

# WINE

Our namesake, **Coda di Volpe**, comes from a grape only found in Southern Italy.

*This is not just any grape - it is one that expresses  
the true landscape and vineyards of the region of Campania.*

*Meaning 'Tail of the Fox', this grape has influenced our entire wine program.*

*Some of the most dynamic wines in the world are being made and bottled  
from the 6 traditional regions of Southern Italy  
Campania, Basilicata, Puglia, Calabria, Sicily and Sardinia.*

*We look forward to sharing our passion for these regions in every glass we pour.*
